
Turn Your Memories into Words

If you do not know what Amazon Kindle is, you are missing out on a whole new reading experience and a huge group of eager readers.

[Kindle](#) is a wireless reading device developed by Amazon.

Amazon's first offering of Kindle sold out in five and a half hours in late 2007. Amazon's vision is "to have every book ever printed, in any language, all available in under 60 seconds on Kindle." At end of June 2009 the Kindle Store had over 300,000 books available plus top newspapers, magazines, and blogs. On average, 600 books per day were added into the Kindle store.

Per Citi Investment Research Kindle unit sales will reach 3.3 million in 2010.

In addition, all books in the Kindle store can be downloaded onto [iPod touch](#) and [iPhone](#). Imagine the number of readers! No author can afford to pass up the opportunity to be published in the Kindle store.

light-tan maple hardwood flooring. It was adorned with huge glass fitted doors and windows that invited weary travelers into the lobby; this hotel combined European elegance and small town style. Joe liked this hotel and almost forgot why he was waiting in its lobby.

Suddenly, he was startled out of his daydream by thumping feet directly above him running down the hallway. Joe heard giggling and decided to walk over to the bottom of the steep stairwell. He looked up to see who was making all the noise. It was Sandra wearing the exact cream-colored sweater in the picture she sent on the Internet. She looked the same—Joe was impressed. Then Joe heard the loud cackling of someone else. Betty appeared and Joe was glad he did not come all this way to see her. Sandra

Ice-ball War

Mischief determined my actions before Christmas 1938. December brought a postcard winter to Deerwood. Snow-softened greenery and the warmth of open hearths, with glowing fires, made grown-ups cuddle each other in romantic distraction. Timmy's mom and dad were enjoying such pleasures, while Timmy and John, his brother who was two years older, were opponents in warfare between the Deerwood Allies of World War I and the dreaded German Huns. Of course this was before we became involved in World War II and the Huns became the Nazis. The Allies represented the good peoples of Europe, mainly
